5<sup>TH</sup> OCTOBER, 2021

Distribution: All UTAG Members

Dear UTAG Member,

**RESUMPTION OF THE SUSPENSION OF TEACHING AND RELATED ACTIVITIES ON ALL  
CAMPUSES**

Our circular dated 20<sup>th</sup> August 2021 with reference number UTAG/NAT/2021/UP03 and the third update on the suspension of the withdrawal of teaching and related activities dated 22<sup>nd</sup> September 2021 refers.

Following the signing of the Memorandum of Agreement with the Employer to complete the negotiations on the Conditions of Service of University Teachers within **one (1) month** by resolving all outstanding issues, which formed the basis for suspending the strike action, it is sad to report that the one-month moratorium has elapsed and the negotiation has almost reached a stalemate.

Unfortunately, within the one-month moratorium, the Employer **never shifted its position** even though UTAG made a number of concessions.

For this reason, the National Executive Committee of UTAG at its meeting held on 1<sup>st</sup> October 2021 resolved that if the Employer's position remains unchanged **by Friday, 8<sup>th</sup> of October 2021**, members **should resume the suspension of teaching and related activities** until further notice.

All members are hereby directed to observe this directive and act accordingly.

Thank you.

Now or Never!

Yours sincerely,

**Prof Solomon Nunoo**  
National President
